About the Wraith

INNOVA's newest addition to the Distance Driver line. It is our longest and fastest Distance Driver to date. It is a stable flyer that performs predictably well in the wind with speed, glide and accuracy. This is our most durable Distance Driver in Pro plastic. This disc performs remarkably well when thrown at less than full speed as well as at full speed. The Pro Wraith is an excellent side arm disc. It is available in weights from 170 to 175 grams.
