Innova - Star Monster - Distance Driver

Price per Unit (piece): \$17.99

Classification: Distance Driver

Diameter: 21.2cm

Weight Range: 170 to 175 grams

Brief Description: Most overstable, wind-beating distance driver designed for pro level players with above average power.

Available Plastics: Star, Champion

Best Choice for: Maximum Stability, headwind driver, thumber disc, forehand/sidearm driver, advanced players looking for a very predictable headwind or hard turning driver.

About the Monster

The Monster is our most stable, powerful, wind beating distance driver. It is made for people who can turn over other discs into a stiff headwind. The Monster can fight some of the fiercest winds out there. We have not tested it in hurricane force winds... yet. The Monster is best suited for more advanced players.
