Innova - Star FL - Distance Driver

Price per Unit (piece): \$17.99

Classification: Distance Driver

Diameter: 21.2cm

Weight Range: 160 to 175 grams

Brief Description: More glide than a Firebird and a less extreme fade at the end of the flight.

Available Plastics: Pro, Star

Best Choice for: The FL is an excellent driver for windy days as well as sidearm throws. The FL is a great first step into the world of overstable drivers.

About the FL

The FL (also known as the Firebird-L) is now available in Star Plastic. The Star FL is the same as the Pro Firebird-L only in Star plastic. The FL is designed to have more glide and less fade at the end of the flight than a traditional Firebird. Now you can get the flight and grip of Pro Firebird with the durability of Star plastic.
