Available Plastics: DX, Champion, Star

Best Choice for: Stable straight shots, hyzer shots, anhyzer shots, placement shots.

About the Coyote

The Coyote is a larger diameter mid-range disc with good glide that flies predictably for straight, gentle turnover, or hyzer shots. It holds a soft flight line and has a friendly grip that makes it easy to throw and release. The Coyote is an excellent disc for many types of long or short approach shots, short drives, roller shots, and even short range putts. A great choice for beginners, intermediates and pros using only one disc.
