Innova - Star Gator - Mid-Range Disc

Price per Unit (piece): \$17.99

Classification: Mid-Range Disc

Diameter: 21.2cm

Weight Range: 170 to 175 grams

Brief Description: A power control disc that delivers pin-point accuracy even in adverse wind conditions. High power throwers who need control need look no further.

Available Plastics: DX, Champion, Star

Best Choice for: Power players, breezy days, sidearm shots, spike approaches, medium range headwind drives.

About the Gator

The Gator is a very reliable overstable mid-range disc with a predictable finish. The Gator delivers pin-point accuracy for shorter drives and approach shots, even in windy conditions. This is a great disc for mid range shots especially for players who need to control their power and increase their accuracy.
