Gateway - Sure Grip Illusion - Distance Driver Disc

Price per Unit (piece): \$10.00

The Gateway Illusion is faster than the Spirit and the Speed Demon, but is less stable than both of them. This disc will fly forward very fast and hyzer back at the end of its flight a little. The Illusion will fly very far and is one of the FASTEST discs on the market today. The Illusion is very easy to throw. It can be thrown at 70% power and it will amaze you on how far it can fly with so little effort. This disc is great for sidearms, tomahawks, and any distance throw.

21cm diameter, up to 175g weight.
