About the Pig

The Pro Pig is an overstable Putt & Approach disc. It is great for hyzer putting, sidearm approaches and backhand spikes. The Pig holds the line well, even in extreme wind conditions. The Pig features a Thumtrac® Rim for sure grips on sidearm throws and putts. It performs equally well for backhand or sidearm throws. The Pro Plastic blend used for the Pig is exceptionally grippy and durable. At 150 grams the Pro Pig will float in water!
